

## Troop 73 October 6, 2004 Newsletter

Edited by Joel Zimmermann, Troop73 Scribe

### CIT

By Michael Kassel

Being a CIT is great! You get to spend half the summer at Camp Horseshoe, or Camp Ware, doing grunt work. Yes, there is a lot of work involved, but it is a great experience. You will learn all kinds of new scout skills. Know I did. All the other CITs were great. If you are a good hard worker, the staff will be nice to you, but if you slack off, well, just do what you are told. So come join us at Camp Horseshoe to do a little, or a lot of grunt work, it really is fun. You also get to know the staffers really well. Just ask me (Mike Kassel), Matt Pellegrino, or Chuck Savoy and we will tell you what a blast it is. If you work extra hard, there is a thing called CIT of the year, and it just so happens that one of very own received it this past summer, Matt Pellegrino. Congratulations Matt for a job well done. But just remember that

until you get that special phone call, you are still just a CIT.

I would also like to congratulate Mark Staab for getting staff member of the year.

### UPCOMING EVENTS
